# Peanut Butter Berry

Sidney M Fry, MS, RD

Cooking Light Magazine - September, 2012

### Servings: 1

*If you use frozen fruit, you may not need as much ice. Frozen fruit is as nutrient-packed as fresh fruit - just choose those with no added sugars.*

*If you do not wish to use dairy products, most milk alternatives (soy, rice) have roughly the same calories as 1% milk - about 100 per cup.*

**1/4 cup 1% low-fat milk**

**1/2 medium ripe banana**

**1 tablespoon creamy peanut butter**

**1 cup fresh or frozen raspberries**

**1/2 cup crushed ice**

Place all of the ingredients in a blender. If adding ice, place it in the container last.

Process until smooth.

Serve in a tall glass, preferably chilled.
