Yield: 20 tarts

1 cup plain flour
1/4 tablespoon salt
2 1/2 ounces butter, chopped
1 tablespoon bottled green peppercorns, drained
1 egg yolk
1 teaspoon Dijon mustard
1 tablespoon olive paste
2 1/2 ounces feta cheese
SWEET ONION FILLING
2 tablespoons olive oil
3 onions, sliced
1 clove garlic, sliced
2 teaspoons sugar
2 tablespoons balsamic vinegar
3 tablespoons raisins

Cook Time:

Lightly grease twenty holes in two twelve-cup muffin tins.

In a bowl, sift the flour and 1/4 tablespoon of salt. Add the butter. Rub in with your fingertips until the mixture resembles fine breadcrumbs. Make a well in the center. Crush the peppercorns with the back of a knife and chop finely. Add to the flour with the egg yolk, mustard and up to two teaspoons of water.

Mix with a flat-bladed knife until the mixture comes together in beads. Turn onto a lightly-floured surface and press together into a ball. Wrap in plastic wrap and refrigerate for 20 minutes.

Preheat the oven to 400 degrees. Roll the dough out on a lightly floured surface to about 1/8-inch thick. Cut twenty rounds with a three-inch biscuit cutter. Place the rounds in the muffin cups and prick with a fork. Bake for 8 to 10 minutes or until golden.

For the filling: In a heavy skillet, heat the oil. Add the onion and garlic. Cook, covered, over low heat for 30 minutes or until the onion is very soft and beginning to brown. Increase the heat to medium. Add the sugar and vinegar. Cook, stirring, until most of the liquid has evaporated and the onion is glossy. Stir in the raisins.

Spread a little olive paste into the base of each pastry shell. Spoon the onion mixture over it. Crumble the feta cheese on top.

Serve warm or at room temperature.
